If you are feeling fancy, check out the James Beard Foundation's Silver Anniversary Gala: Celebrating 25 Years of Outstanding Chefs. The award winning chefs being celebrated at this event are Alfred Portale of Gotham Bar & Grill, David Bouley of Bouley Restaurant, Tom Colicchio of Craft, Daniel Humm of Eleven Madison Park, and Michel Richard of Citronelle.

Indulge in miniature grilled lamb chops, porcini mushroom flan with black truffle dashi, stuffed filet of beef, and crème brûlée napoleon. Rub elbows with the stars as you enjoy a multi-course meal prepared by an incredible lineup of

chefs. Sip champagne in honor of some of the hard working people who produce the most innovative and delicious dining experiences.

This event is complete with a reception and silent auction, dinner and live auction, and live music by Joelle & The Pinehurst Trio.
