at [Bouley Test Kitchen](#), New York, NY

David Bouley's Test Kitchen is the place to be for all you tapas and paella lovers! Indeed, at 6pm on Monday, February 20th Chef Roger Martinez is offering a unique cooking class (\$175) to teach students how to make that irresistible socarrat on the bottom of a heaping pan of paella. Students will be taught how to prepare three types of paella; fish, meat and vegetable, which they can then enjoy with a special Spanish wine pairing.
