## 9 Of The Most Highly Acclaimed Sushi Restaurants In The United States

by: Joseph On Monday, August 20, 2012

You should definitely treasure a good sushi place, once you find one. The problem is, they can be hard to find – a place with the right mixture of ambiance, atmosphere, and skilfully assembled sushi. These 9 restaurants are some of the most acclaimed sushi establishments in the country. This ain't no grocery store sushi, folks – this is the good stuff.

### Brushstroke (New York, NY)

That succinct and elegant name fits this exclusive sushi establishment in the heart of New York City. And you don't just get great kampachi sashimi at Brushstroke – you also get unique decor inside, such as a wall made from 25,000 paperback books!
