DAVID BOULEY AND PAUL QUI MAKE *BON APPETIT*'S LIST OF BEST NEW SUSHI RESTAURANTS

by Mariella Mosthof 5:08 pm, May 15th

Bon Appetit did a round-up of the 10 Best New Sushi Restaurants in America and both *New York Times* critical darling David Bouley and *Top Chef: Texas* winner Paul Qui had restaurants land on the list.

While David is widely known for his French flagship **Bouley**, which holds two 3-star ratings from the *New York Times*, his recently opened **brushstroke** offers up sushi down in Tribeca. Patrons have a set menu for a multi-course meal, which sounds ever-so-slightly fancy for a late-night sush-venture, but it grabbed a 2-star rating from the *Times* to join its high-falutin' big sister restaurant.
